Mirka Solutions Smart Cart

The **Mirka Solutions Smart Cart** is the perfect solution to keep all your abrasives, tools, and dust extraction at one place in an integrated, dust-free sanding system. This investment will have a positive impact on your entire business.

- Dust control during sanding operations in both the body and paint departments
- Easier clean up in the detailing department
- A cleaner office area
- Extended sandpaper life
- A measurable improvement in overall shop cleanliness and worker morale

Don't waste any more time. Find your solution with the **Mirka Solutions Smart Cart**. Check with **Auto Body Supply** for more information on this system or for a **FREE** demo.
